### **Best Practices**

QE offers a wide variety of trim coil for custom fabricating decorative accents and design elements, and for protecting hard-to-reach areas. Our trim coil comes in many different finishes, metals, thicknesses and colors to suit a variety of purposes. Whether you're using treated or untreated lumber, we have the exact product for you!

QE's H28 aluminum alloy is designed and engineered for better performance in the brake and on the house, and for a truly professional appearance.

Every one of our trim coils starts with recycled aluminum that is specially annealed, so you can actually feel the difference.

Quality Edge offers trim coil in 100+ colors that match today's most popular siding and window colors.
