**PRODUCT DETAILS****PROFILE**

- 5" Plank 8 ft Length (Woodgrain)
- 5" Plank 12 ft Length (Solid)

**MATERIALS**

- Steel

**THICKNESS**

- 0.020" (Panels)
- 0.016" (Accessories)

**APPLICATION**

- Horizontal
- Vertical
- Underdecking and Porch Ceiling

**SOLID AND WOODGRAIN COLORS**

Vesta's color palette was designed to bring style to the exterior of a home. Each of the woodgrain colors consist of six unique grain configurations designed to resemble the natural variation of stained woods that results when several features interact, including irregular grain, rays and color deposits on the surface of wood.

**COATING**

- Kynar 500® (70% PVDF) – Woodgrains
- Kynar® (50% PVDF) – Solids
- CarbonTech90™ – Woodgrains & Solids

**PATENTS/U.S. COPYRIGHT**

U.S. Patent Nos.: 10,508,455; 10,760,282; 11,255,092; 11,421,423

U.K. Patent: 2,588,713

CAN Patent: 3062997C

**TECHNICAL DATA**

Vesta steel siding utilizes one of the strongest, most versatile, and recyclable materials on our planet, reducing your carbon footprint and safeguarding against costly repairs.

**BUILDING CODE RATINGS**

R703.3 Wall Covering Nominal Thickness and attachments.

Source: IRC 2018

With low energy use and zero off-gassing or maintenance concerns, Vesta is an environmentally friendly siding solution.

**MATERIAL/PAINT & COATINGS DATA**

- 100% Recyclable
- VOC-free coatings
- Lead free finishes

With Vesta's rigorous testing, you can feel safe and at ease, knowing the home is protected.

**FLAME SPREAD AND SMOKE DEVELOPED RATINGS**

- ASTM E84-18b
- Class A Rating

**STRUCTURAL PERFORMANCE RATING**

- ASTM E1592-05

**IMPACT RESISTANCE RATING**

- UL2218 Class 4 Rating

Quality Edge is committed to leading the industry in terms of innovation and airflow. Vesta panels have unique, built-in breathing ducts that promote air circulation between joint seams and behind the building surface.

**INSTALLATION**

Planks must be installed on a minimum 1/2" O.S.B. or plywood solid flat wall over house wrap. Fasten all panels loose (floating) to the wall using 1 1/2" nails or screws, inserting fasteners into the holes along the top of the panel 16" on center. Ensure each panel is fully engaged to the one below via the pre-rolled feature at the bottom of the panel before fastening it.

**WARRANTY**

Our Lifetime Limited Warranty includes protection against peeling, flaking, chipping, cracking, color fade, chalking, rust, hail, and abrasion. Vesta's steel core is unlike any other and designed to defend against whatever nature throws at it. An anti-corrosive zinc barrier provides unyielding protection born to last generations.

**AVAILABILITY & COST**

Our products are available locally through Quality Edge distributors. Our distributors can provide current pricing. Contact us to put you in touch with a local Quality Edge representative in your area who can provide you distributor information.

**MAINTENANCE**

Remove any and all debris that may accumulate on the wall during its lifespan to keep it moisture free. Tighten any loose fasteners or trim pieces as access allows. Do not attempt to repair or replace any parts of the system without consulting a certified applicator. Repainting the wall should not be necessary through the duration of the warranty.
